

"Devoted to mastering the science of reproductive medicine, I am continually researching and educating myself to help those struggling with infertility. I have learned to not only effectively communicate and collaborate with our dynamic LIV team, but also implement innovative technology with my expert fertility knowledge to help patients every step of their journey to parenthood." — **Dr. Hebert Flores Leal**

MEET OUR MEDICAL DIRECTOR/REI SPECIALIST (Lic. 5978159/8996501)

Dr. Hebert Flores is the Reproductive Endocrinology and Infertility (REI) specialist at the LIV Fertility Center — denoted as one of the highly regarded fertility clinics in the world. He contributes endlessly to the success of his patients and the leading fertility center in Puerto Vallarta.

Dr. Flores completed his medical career at the University of Guadalajara. After medical school, Dr. Flores completed residency at the University of Leon — and his Sub-Specialty Fellowship Training in Reproductive Endocrinology & Infertility at the National Autonomous University of Mexico

(UNAM) in Mexico City.

Drawing international recognition for his progressive talents in Hysteroscopy and Laparoscopy Surgery, Dr. Flores went on to do a fellowship at the Reproductive Medicine Associates of New York (RMANY). Following his infertility training in New York, he then received a Diploma from the Mexico Autonomous Institute of Technology (ITAM) — a private Ph.D. Granting Institution. He is also an Associate Professor with UNAM in Mexico City.

Dr. Flores is an active member of the American Society for Reproductive Medicine (ASRM) and the European Society of Human Reproduction and Embryology (ESHRE).

Active and energetic, Dr. Flores enjoys exercising, traveling, reading, and spending time with his family. He is also compassionate about fine arts — and learning about fine wines. As a nobleman, he is dedicated to contributing to the overall success of the LIV Fertility Center and being a team leader.

Believe in Fate. Believe in Love. Believe in LIV.
